Mayor Bunker called the public hearing to order at 6:45 p.m. He stated that notice of the meeting time, place and agenda had been posted at the City Building and provided to the Millard County Chronicle/Progress and to each member of the City Council at least two days prior to the meeting. City Recorder Gregory Schafer acted as secretary.

Mayor Bunker stated that the purpose of the public hearing was to receive public comment regarding the proposed issuance of a non-voted revenue bond for the purpose of funding water system improvements made necessary by the Environmental Protection Agency's new standards for arsenic in drinking water. Mayor Bunker explained that when we enter into the agreement with the Permanent Community Impact Fund Board for the \$3,073,000 to upgrade the water system, the agreement will obligate Delta City to repay the funds. Inasmuch as this is a non-voted revenue bond, revenues from the water fund will be pledged as repayment monies for the loan for the next thirty years. Mayor Bunker opened the public hearing to comment from the floor.

Mayor Bunker opened the public hearing to comment from the floor. There were no negative comments received.
